

# Website Development Pricing Proposal

Hello,

Below are the website development pricing options available for your clothing website project:

---

## 1. BASIC PACKAGE (Frontend Only) - Rs. 5,000 + Domain Cost

---

- Modern responsive design
  - Up to 5 pages (Home, About, Products, Contact, etc.)
  - Basic animations and interactivity
  - Optimized for mobile and desktop
  - Domain cost (Rs. 2,000 approx. for 1 year)
- 

## 2. MEDIUM PACKAGE (Frontend + Backend) - Rs. 10,000 + Domain Cost

---

- All features of Basic Package
  - Admin panel for product management (Add / Edit / Delete)
  - Dynamic product pages connected to database
  - User-friendly CMS
  - Contact / feedback form integration
  - Domain cost (Rs. 2,000 approx. for 1 year)
-

### 3. ADVANCED PACKAGE (3D / High-end) - Rs. 15,000 + Domain Cost

---

- All features of Medium Package
  - 3D product view integration / AR preview
  - Advanced UI animations and transitions
  - Database and analytics dashboard
  - Payment gateway integration (optional)
  - Domain cost (Rs. 2,000 approx. for 1 year)
- 

#### Notes:

- All prices exclude hosting costs.
- Timeline and deliverables depend on the selected package.
- Additional custom features can be added based on client requirements.

Thank you,

Shreyas Salian

(Website Developer)
